

# PAYROLL DEDUCTION

Payroll deductions are a type of workplace giving where wages are withheld from an employee's total earnings. A portion of the paycheck is donated to the AWC Foundation to support AWC students and programs.

## *Workplace Giving Statistics*

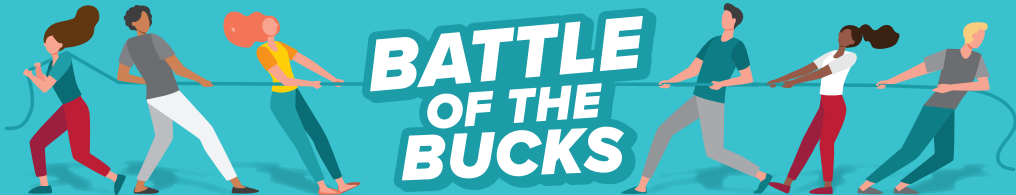

Approximately \$5 billion is raised through workplace giving annually across the U.S.

## *Benefits of Giving*

- You will help others
- You lead by example
- Tax deductible
- It feels good
