

*The mission of Arizona Western College Foundation is to empower people to reach their educational and career aspirations by enhancing access to learning opportunities.*

October marks the beginning of scholarship season. The Foundation has been invited to present scholarship information at the high schools and provide information at scholarship nights.

## Legacy Gift - John Palumbo Ag Scholarship

YFVA established a legacy gift in honor of John Palumbo. Funds will be used to assist new and continuing students with a program of study in agriculture. Donor representatives, Steve Alameda and Kristan Sheppard from When in Doubt Scout Committee presented a \$10,000 check to the AWC Foundation.

## A Golden Opportunity for Students

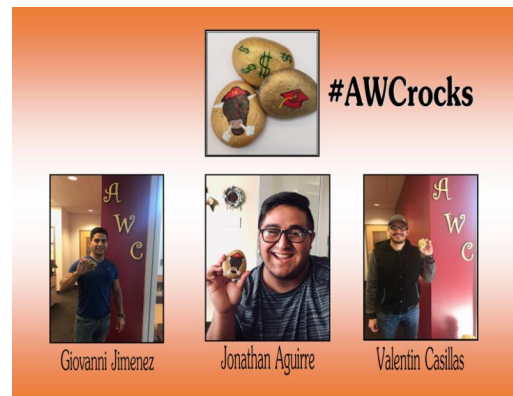

The Foundation hid 3 golden rocks worth \$500 each around the Yuma Campus. Here are the lucky winners!

Giovanni Jimenez

Jonathan Aguirre

Valentin Casillas

These lucky students will be awarded their \$500 scholarship in the spring. The golden rocks will be hidden again in March! Stay tuned.

## AWC Foundation to collaborate with American Dream Academy

### Be Part of the American Dream

The American Dream Academy is coming to Yuma County. This program gives high school students and their parents the tools to prepare for a successful college career. AWC has committed to awarding a one-time \$500 promise award to students who complete the program.

## Foundation to collaborate with AWC CTE, NAU, Yuma County and Castle Dome to put on the Winter Health Camp

Gifted students from Castle Dome Middle School will have an opportunity to attend a Winter Health Camp this December. The camp aims to provide these students with an introduction to Career Technology Education. Areas of focus for this 3-day camp are Germs, Disease Detective, and Enzyme-Linked Immunosorbent Assay. The conclusion for the event includes an awards assembly, student presentations, and panelists to answer questions or make statements.
