Welcome Bertha Rivera to the AWC Foundation

Bertha Rivera was selected as the Foundation's Accounting Administrator.

I'm grateful and honored to be part of this awesome team that empowers people to achieve their dreams and goals. I previously worked for the Somerton Municipal Court, Yuma County Public Defender's Office and Bethel Accounting Services for a few years. I was a former student of Arizona Western College and later transferred to Liberty University where I graduated with an Associate Applied Science Degree in Accounting and will finish my Bachelor of Business Administration Degree this May of 2020. My Why? I grew up here in Yuma County, and want to give back and make a difference in my community. It's a great day to be a Matador!
